

REMARKS

Continued reexamination of this application is respectfully requested.

The applicant received a Notice Requiring Excess Claim Fees mailed on September 23, 2005 which requested payment of the outstanding excess claim fees due from two separate amendments filed on March 13, 2002 and July 13, 2005, respectively. The amount from 2002 was \$86.00 and the amount from 2005 was \$900.00, thus making the total currently due \$986.00. Applicant has submitted a check in this amount with this response as payment of the excess claim fees, and thus believes this requirement to have been fulfilled.

Applicant is mailing this amendment after expiration of the one month response period but within the third month's extension of time permitted by 37 C.F.R. § 1.136 and accompanied by the fee set forth in 37 C.F.R. § 1.17(a). This application is thus believed to be in condition for review and eventual allowance of all claims remaining herein, and such action is respectfully requested.

Respectfully submitted,
